While at Regent, Olivia clerked for the ACLJ and served as a board member for Regent Journal of International Law, was a member of the Honor Council, and was actively involved in Regent Students for Life. In addition, Olivia spent one summer interning at the ECLJ where she gained experience in international law and human rights issues. Prior to attending Regent, Olivia earned her B.A. in History from the University of Wyoming. Olivia joined the ACLJ full-time after graduating from Regent. She is admitted to practice in Virginia and Washington D.C.

2018 Space Coast Prayer Breakfast

As Florida Today has written about Space Coast Prayer Breakfast:

"The prayers were many ... but for one day, the faith leaders – from the Southern Baptist to the Messianic Jewish – quietly bowed their heads in prayer, pushing aside vast theological differences and calling on God to heal families and bridge the national divide."

The 2018 Space Coast Prayer Breakfast, once again, provides an opportunity to join together for a time of county-wide prayer on the National Day of Prayer, Thursday, May 3, 2018. The event, which has sold-out its seating prior years, and now in its 6th year, takes place again at the Hilton Rialto, 200 Rialto Place, Melbourne, FL.

The 2018 Keynote Speaker is AEA Ordained Minister Laura Wallace. She is an entrepreneur and passionate teacher of practical Biblical truths. As a CPA, with over 25 years of progressive industry experience and independent consulting, she is President and founder of Four Streams Financial, Inc., an accounting services and consulting firm. As an Ordained Minister, teacher, conference speaker and helps ministry leader, Laura is also Founder and Executive Director for Missions: America and Beyond, Inc., an outreach and supportive services ministry. Having served multiple capacities in support of churches and ministries for over 25 years, Laura's life has been of equal focus to both the Churchplace and the Marketplace. Laura's mission is simply to Make a Difference for Jesus by Making Disciples.

Congressman Bill Posey will again attend the 2018 Space Coast Prayer Breakfast, bringing his perspective on the importance of gathering together for the National Day of Prayer. The Prayer Breakfast is founded on the idea that Prayer brings people together. Prayer builds bridges between opposing persons and even political parties. Prayer reminds us that we are created in God's image and He desires for us to represent Him everywhere we go. Prayer brings UNITY. On May 3, 2018, our theme will be **Pray for America – UNITY**, based upon *Ephesians 4:3* which challenges us to mobilize unified public prayer for America, "Making every effort to keep the unity of the Spirit through the bond of peace."

Each year, on the National Day of Prayer, Church, Community, Business and Government leaders come together to share this important moment.
