FALL 2026

Kerry L. Fink,
President

President's Letter

72 years later and still moving forward in Kingdom-Building!

The American Evangelistic Association is continuing forth with its effort to bring "The Whole Gospel to the Whole World!" As we are preparing to gather for our **72nd Anniversary Annual Fall Regional Conference** in beautiful Melbourne, Florida, we are more excited than ever as the fields are ready for the Harvest!

We are thrilled to focus this year's conference on **"Transforming Your City"** - the transformational approach to taking back the territory through understanding and being present in the **3 key Gates of Influence** that control every city.

For those who have followed our Transforming Your City efforts previously, you know the concept is based on Dr. Dave Robinson's teaching that Marketplace Ministry is the way to advance the Kingdom.

As he has said, *"If we want to Transform Our Cities, we must go on offense, march into the enemy's camp and take what doesn't belong to him! Rather than staying hunkered in the bunker, we need to plunge ourselves into the fray, swords wielding. Too many of us are sitting around waiting for instructions or permission to act on what we already know to do."*

"After decades of working with church and marketplace leaders, I have found that most people cannot defend the faith they claim to believe and are not comfortable sharing their faith when opportunities arise. And where are most faith-sharing opportunities? In the marketplace."

"Christianity was started by a small business owner named Jesus and He recruited 12 marketplace men. He could have gone to the elite religious training center of his day and chosen the top twelve theological students for His first world evangelism team, but the men He selected would not pass membership qualifications for most current churches. They certainly would not be invited to fill a pulpit or join the local ministerial association. According to the book of Acts, they were unlearned and ignorant men."

If we want to transform our cities, we must transform them in the marketplace. To do that we should follow the Jesus model and transform our marketplace members into confident explainers and defenders of the faith!

This is our focus for this Fall-November 13th-15th. As we focus in on our Transforming Your City Day, hosted at Wings of Grace Ministries in Melbourne, Florida, on Friday, November 13th, and then we continue our AEA Ministries Conference on Saturday and Sunday, November 14th-15th, at Community Gospel Truth Church in Melbourne Florida!

It won't be the same without you! Let's be about our Father's Business! Read this edition of Spotlight and then I hope you will look at your calendar and see about making the trip to Florida (the weather is nice this time of year!) and let's take this to the next level and have that impact for Christ that we all are after!

God Bless you!

Dr. Kerry Fink, President, American Evangelistic Association

Transforming Your City through Marketplace Leaders Class

Join us and Dr. Dave Robinson to begin your Marketplace Ministries study with our Transforming Your City through Marketplace Leaders Class. This class is designed to help you excel in Marketplace Leadership. We'll spend time discussing the three Gates of Influence that we, as Christian leaders, must be present and active in, Business, Government and Education. We've assembled some top-notch speakers and incredible Marketplace Ministry information to equip you to expand your territory in the Marketplace.
